

Quad-Lock Plus Panel with FS

Quad-Lock's new Plus Panel includes a fastening strip (FS Strip) for greater flexibility, if you require a continuous vertical fastening surface and greater R-values on your projects.

Quad-Lock Part#: QPX2 PLUS FS
Price List Descriptor: Panel Pair, 4.25" panel thickness, Fastening Strips 12"oc. Sold 3 pairs/bag

Slab Ties & Bracket System

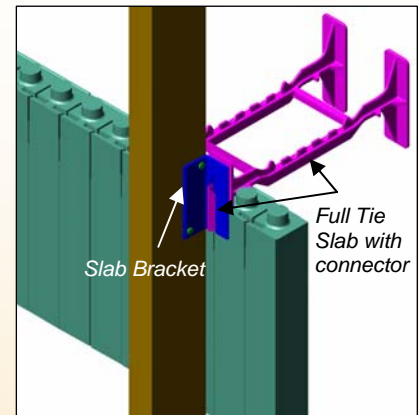

Our new Slab Tie, used in combination with the Slab Bracket and 2x4 lumber, will provide a solid support system for 1 to 2 layers of outside panels during the concrete pour of a floor slab. This system eliminates the need for exterior scaffolding or ladders.

Quad-Lock Part#: FTB 6-S
Price List Descriptor: Full Tie Slab, blue 6" concrete, 10" total, with connector for Slab Bracket. Sold 60/box

Quad-Lock Part#: FTY 8-S
Price List Descriptor: Full Tie Slab, yellow 8" concrete, 12" total, with connector for Slab Bracket. Sold 50/box

Quad-Lock Part#: FTG 10-S
Price List Descriptor: Full Tie Slab, green 10" concrete, 14" total, with connector for Slab Bracket. Sold 40/box

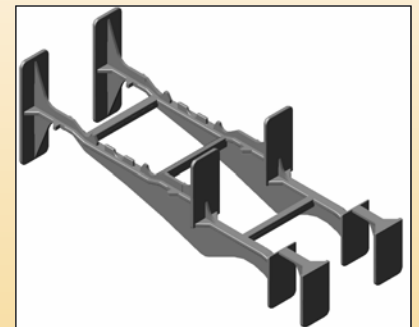

Quad-Lock Part#: SLAB BRACKET
Price List Descriptor: Slab Bracket, connects Full Tie Slab and 2x4. Sold individually

Brick Ledge Tie

The Brick Ledge Tie can be used to create a concrete ledge for brick or stone exterior finishes or as an interior support for floor joists. It easily transitions the wall from a 12" concrete cavity to a 6" cavity (when used with R-22 panels), leaving a 3 3/4" solid concrete supporting ledge, plus a 2 1/4" high density foam panel capped by a galvanized metal track.

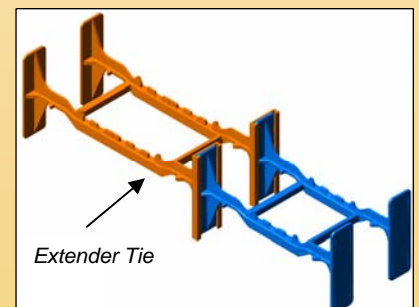

Quad-Lock Part#: BLT
Price List Descriptor: Brick Ledge Tie, black, 12" to 6" transition. Sold 40/box.

Extender Tie

Our Extender Tie will allow builders to create walls of almost any desired concrete thickness. Extender Ties are designed to interlock with regular Full Ties to add exactly 12" of concrete cavity. You can also combine multiple Extender Ties with Full Ties to create concrete cavities larger than 24"

Quad-Lock Part#: XT
Price List Descriptor: Extender Tie, orange, 12". Sold 50/box
